

## **INTREPID WINS in VICTORIA & NSW**

*The Intrepid Cruiser chassis and Rotax Max engine has once again proved to be the winning combination! In the hands of Troy Woolston at the Victorian All Stars event on the weekend Troy took out the highly competitive Rotax Light Division in his CC Racing prepared kart. Congratulations Troy!*

*Congratulations also go to our own David Whitmore on 'doing the double' at Wollongong on the weekend and steering his Intrepid Cruisers' to Victory in both the Rotax Light and Leopard classes. This was a great first performance by David since joining IKD and stepping into the world of the INTREPID FORCE.*

**INTERNATIONAL KARTING DISTRIBUTORS** exclusive Australian Importers and Distributors of Rotax Kart Engines & Intrepid Karts
